

## **FAQs for Fashion Show Contestants**

### **How do I register for the event and enter my pup into the fashion show?**

To minimize credit card processing fees, we use PayPal for our event registration. Unfortunately, there is no feature that allows you to register simultaneously for the two different event fees, so two separate transactions are required. Please use the registration buttons on the event page.

### **How do I specify which fashion show category my pup will be entering?**

When you pay for a fashion show entry, we receive a notification that provides us with your email address. We will contact you via email to find out which category you are entering. We will also ask you to complete a short list of questions so we can gather information about you and your pup to be announced during your catwalk appearance.

### **How do I know if there is still room in the fashion show category that I want?**

When there are less than 5 spots left in a category, the event website will be updated to reflect the number of remaining spots.

### **Can I enter my pup into more than one category?**

No. Pups can only be entered into one fashion show category.

**What are the prizes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place and how are the winners chosen?**

Each pup entered into the fashion show will receive a doggie swag bag upon check-in at the Welcome Table. We are currently putting together some amazing prize packages and will update the event page as soon as all the information is confirmed. There will be a total of 15 fashion show winners....1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in each category. Winners will be chosen by our panel of judges.

**Can I register my pup the day of the event?**

Fashion show categories are limited to 10 pups/category. If there's still room for additional contestants, you may register your pup into the fashion show. Please note that registration must be completed by 1pm on June 10<sup>th</sup>.
